CLAREMONT COMMUNITY AND HUMAN SERVICES COMMISSION TREE COMMITTEE

MEETING AGENDA

"We are a vibrant, livable, and inclusive community dedicated to quality services, safety, financial strength, sustainability, preservation, and progress with equal representation for our community."

City Council Chamber
225 Second Street
Claremont, CA 91711

Wednesday
October 21, 2026
6:00 PM

COMMITTEE MEMBERS

NANCY BROWER **BRISA SIFUENTES** **JULIE WILLIAMS**

Meetings are open to the public for in-person attendance. The Brown Act provides for an opportunity for members of the public to address the Tree Committee concerning the items described below.

Members of the public who wish to address the Tree Committee on any matter listed on the agenda or on a subject matter within the jurisdiction of the Tree Committee may utilize the following methods. The Tree Committee requests but does not require that public speakers identify themselves.

OPTIONS FOR PUBLIC COMMENT:

Public comment may be provided by one of the following methods. Each speaker will be given up to three (3) minutes to provide their comment.

IN-PERSON LIVE COMMENTS

When the item you wish to speak to is announced, please proceed to the speaker's podium one by one.

E-MAIL/MAIL

Written comments sent to the Community Services Department will be distributed to the Tree Committee and imaged into the record of the meeting. Email: rheydman@claremontca.gov and jswan@claremontca.gov. Mail: PO Box 880, Claremont CA 91711. Written comments submitted after publication of the agenda will be made available in the document archive system on the City website as soon as possible - www.claremontca.gov.

For assistance, comments, or more information please contact Robin Heydman, Committee Secretary, at (909) 399-5431.

CALL TO ORDER THE MEETING OF THE TREE COMMITTEE

PLEDGE OF ALLEGIANCE

ROLL CALL

CEREMONIAL MATTERS, PRESENTATIONS, AND ANNOUNCEMENTS - None

PUBLIC COMMENT

The Tree Committee has set aside this time for persons in the audience to comment on items that are not listed on the agenda, but are within the jurisdiction of the Committee. Members of the audience will have the opportunity to address the Committee regarding all items on the agenda at the time the Committee considers those items.

General public comment will be taken for 30 minutes and will resume later in the meeting if there are speakers who did not get an opportunity to speak because of the 30-minute time limit.

The Brown Act prohibits the Committee from taking action on oral requests relating to items that are not on the agenda. The Committee may engage in a brief discussion, refer the matter to staff, and/or schedule requests for consideration at a subsequent meeting.

CONSENT CALENDAR

All matters listed on the consent calendar are considered to be routine. The Tree Committee may act on these items by one motion following public comment. Only Committee Members may pull an item from the consent calendar for discussion.

1. TREE COMMITTEE MEETING MINUTES OF SEPTEMBER 16, 2026

Recommendation: Staff recommends the Tree Committee approve and file the regular Tree Committee Meeting minutes of September 16, 2026.

Attachment(s): 09-16-26 Draft Tree Committee Meeting Minutes

ADMINISTRATIVE ITEM

2. SEMI-ANNUAL REPORTING OF URBAN FOREST ACTIVITIES: JANUARY-JUNE 2026

Recommendation: Staff recommends the Tree Committee recommend that the Community and Human Services Commission receive and file this report.

Attachment(s): Tree Plantings by Address - Jan - June 2026

Tree Removals by Address -Jan - June 2026

CONTINUED PUBLIC COMMENT

This time is reserved for those persons who were unable to speak earlier in the agenda because of the 30-minute time restriction.

ADJOURNMENT

THE NEXT REGULAR MEETING OF THE TREE COMMITTEE WILL BE HELD ON WEDNESDAY, NOVEMBER 18, 2026, AT 6:00 PM IN THE CLAREMONT COUNCIL CHAMBER, 225 WEST SECOND STREET, CLAREMONT, CA 91711.

IN COMPLIANCE WITH THE AMERICANS WITH DISABILITIES ACT OF 1990, THIS AGENDA WILL BE MADE AVAILABLE IN APPROPRIATE ALTERNATIVE FORMATS TO PERSONS WITH DISABILITIES. ANY PERSON WITH A DISABILITY WHO REQUIRES A MODIFICATION OR ACCOMMODATION IN ORDER TO PARTICIPATE IN A CITY MEETING SHOULD CONTACT THE CITY CLERK AT 909-399-5461 “VOICE” OR 1-800-735-2929 “TT/TTY” AT LEAST THREE (3) WORKING DAYS PRIOR TO THE MEETING, IF POSSIBLE.

I, ROBIN HEYDMAN, ADMINISTRATIVE ASSISTANT OF THE CITY OF CLAREMONT, CALIFORNIA, HEREBY CERTIFY UNDER PENALTY OF PERJURY THAT THE FOREGOING AGENDA WAS POSTED AT CLAREMONT CITY HALL, 207 HARVARD AVENUE, ON THURSDAY, OCTOBER 15, 2026, PURSUANT TO GOVERNMENT CODE SECTION 54954.2.

POST THROUGH: OCTOBER 22, 2026

Claremont Community and Human Services Commission Tree Committee

CLAREMONT TREE COMMITTEE
MEETING MINUTES
Wednesday, September 16, 2026, at 6:00 PM
City Hall Council Chamber, 225 W. Second Street, Claremont, California

CALL TO ORDER Director Swan called the meeting to order at 6:00 PM.

PLEDGE OF ALLEGIANCE

ROLL CALL

PRESENT: COMMITTEE MEMBER: BROWER, SIFUENTES, WILLIAMS

ABSENT: COMMITTEE MEMBER: NONE

ALSO PRESENT: Dawn Ross, Senior Administrative Assistant
Michael Springer, Landscape Maintenance Supervisor
Jeremy Swan, Community Services Director

CEREMONIAL MATTERS, PRESENTATIONS, AND ANNOUNCEMENTS

Jeremy Swan, Community Services Director, introduced Michael Springer, new Landscape Maintenance Supervisor.

1. Selection of Chair and Vice Chair for the Tree Committee

Jeremy Swan, Community Services Director, opened nominations for the office of Tree Committee Chair.

Committee Member Sifuentes nominated Nancy Brower for the position of Chair.

Director Swan invited public comment.

Dawn Ross, Senior Administrative Assistant, announced that no written public comment had been received regarding the selection of Tree Committee Chair.

There were no requests to speak.

Committee Member Williams moved to appoint Committee Member Brower to the office of Tree Committee Chair, seconded by Committee Member Sifuentes, and carried on a roll call vote as follows:

AYES: ***Committee Member – Sifuentes, Williams***
NOES: ***Committee Member – None***
ABSTENTIONS: ***Committee Member – Brower***

Chair Brower opened nominations for the office of Tree Committee Vice Chair.

Committee Member Williams nominated Brisa Sifuentes for the position of Vice Chair.

Chair Brower invited public comment.

Senior Administrative Assistant Ross announced that no written public comment had been received regarding the selection of Tree Committee Vice Chair.

There were no requests to speak.

Committee Member Williams moved to appoint Committee Member Sifuentes to the office of Tree Committee Vice Chair, seconded by Chair Brower, and carried on a roll call vote as follows:

AYES: Committee Member – Brower, Sifuentes, Williams
NOES: Committee Member – None

PUBLIC COMMENT

Chair Brower invited public comment.

Dawn Ross, Senior Administrative Assistant, announced that no written public comment had been received.

Lilia Hawkins, Sustainable Claremont, highlighted the group's accomplishments and activities over the past year.

There were no additional requests to speak.

Chair Brower closed public comment.

CONSENT CALENDAR

Chair Brower invited public comment.

Senior Administrative Assistant Ross announced that no written public comment had been received on the Consent Calendar.

There were no requests to speak.

Chair Brower closed public comment.

Committee Member Sifuentes moved to approve the Consent Calendar, seconded by Chair Brower, and carried on a roll call vote as follows:

AYES: Committee Member – Brower, Sifuentes, Williams
NOES: Committee Member – None

2. Tree Committee Special Meeting Minutes of April 16, 2026
   Approved and filed the special Tree Committee meeting minutes of April 16, 2026.

ADMINISTRATIVE ITEMS - None

ADJOURNMENT

Chair Brower adjourned the special meeting of the Tree Committee at 6:13 PM. The next regular meeting of the Tree Committee will be held on October 21, 2026.

SUBJECT:

SEMI-ANNUAL REPORTING OF URBAN FOREST ACTIVITIES: JANUARY-JUNE 2026

SUMMARY

The City's *Tree Policies and Guidelines Manual* require staff to bring forth a monthly report of newly planted and removed trees. This requirement provides transparency to the City's planting and removal practices. On a semi-annual basis, a report on urban forest maintenance activities is presented. Included in this report are urban forest maintenance activities for the six-month period of January 1, 2026-June 30, 2026.

RECOMMENDATION

Staff recommends the Tree Committee recommend that the Community and Human Services Commission receive and file this report.

ALTERNATIVE TO RECOMMENDATION

In addition to the recommendation, there is the following alternative:

- Refer the item back to staff for additional information.

FINANCIAL REVIEW

The staff cost to prepare this report is estimated at $1,350 and is included in the operating budget of the Community Services Department.

ANALYSIS

Background
The City's *Tree Policies and Guidelines Manual* describes the day-to-day management of the urban forest. The Manual describes the responsibilities of the City Council, Community and Human Services Commission, City staff, and the community. City staff is responsible for the removal of City trees that are dead, in a state of advanced decline, or hazardous; the replanting of removed trees; and all trimming activities. Additionally, staff has the authority to remove trees if hardscape/infrastructure repairs cannot be completed without severe root pruning that would jeopardize the health and stability of the tree. The tree may be removed only after all mitigation measures have been considered. Per the Manual, City staff is to provide a monthly report to the Community and Human Services Commission of trees planted and removed each month. The purpose of this requirement is to provide transparency and show equity between removals and plantings. This report will include the six-month period of January 1, 2026 - June 30, 2026.

Urban Forest Activities - January 1, 2026 to July 30, 2026

Trimming
Proper tree trimming is essential to a tree's health and structural integrity, which in turn mitigate the risk of tree and/or limb failure. The City uses three types of trimming: grid, select, and young tree trimming. During the period of January 1, 2026 - June 30, 2026, approximately 2,680 trees were trimmed.

Grid Trimming - Grid trimming occurs November through June, when the weather is generally cooler. As of July 1, 2022, the City moved to a five-year trimming cycle. In Fiscal Year 2025 - 26, Grid 2 was scheduled for trimming. Grid 2 is the middle portion of the City, between Foothill Boulevard and First Street from the eastern City boundary to the western City boundary. During this reporting period, 2,527 trees were trimmed under the grid-trimming program.

Select Trimming - On occasion, trees require trimming outside of the regular grid-trimming schedule. This type of trimming is considered select trimming. Select trimming is used for pedestrians, vehicles, or sight clearance; structural pruning; or rebalancing. During this reporting period, 151 trees were trimmed under select trim.

Young Tree Care - All newly-planted trees receive a good structural pruning approximately one year after planting. Properly trained trees will develop into structurally sound trees well suited for the urban environment. Young tree care is included in the count for select trim.

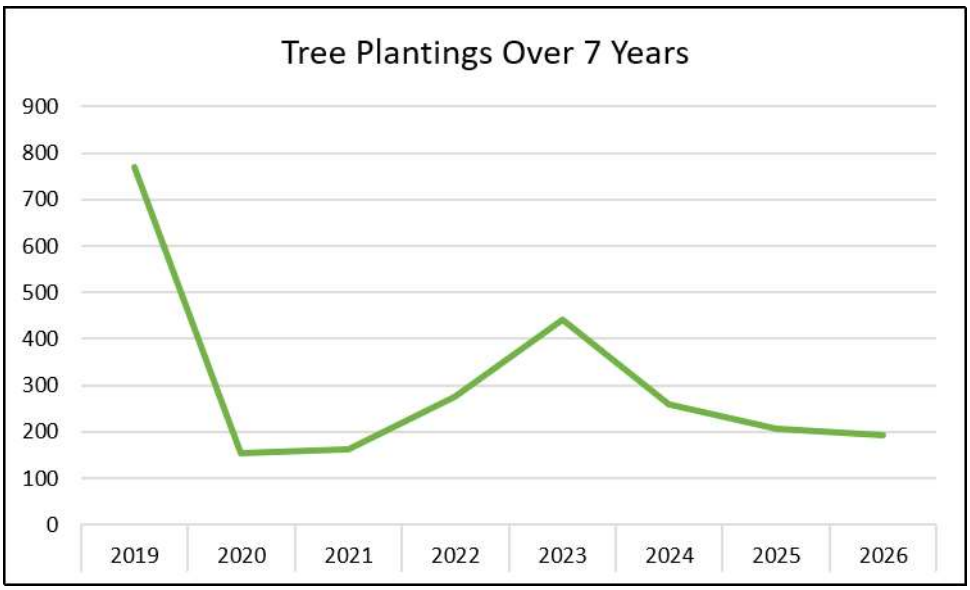

Wildlife - Wildlife nesting season runs from February through November of each year. Due to the quantity of trees included in grid trimming, it is almost impossible to complete trimming by the end of February, when nesting season begins. The City's tree maintenance contractor, West Coast Arborists, Inc. (WCA), takes nesting season very seriously. When WCA crews come across signs of nesting activity, that tree is skipped and scheduled for trimming when all nesting activity has subsided. During this reporting period, one tree with nesting birds was identified.

		5472	256	5728

Plantings

The City's typical planting season is November through April each year, depending on weather conditions. Plantings occur during this time to take advantage of the cooler, wetter weather. The City plants 15-gallon size trees, but larger trees may be purchased at the resident's expense. Each tree planting includes staking, tying, watering for the first 90 days, and a watering bag at the end of the 90 -day watering period.

During the months of January through June 2026, 126 trees were planted. The planting of 100 15-gallon size and one 24"-box size trees was funded through the Landscape and Lighting District Fund. Five 24"-box-sized and four 36"-box size trees were paid for by donations or residents through the City's Residential Pay Program. This list includes the planting of 16 trees on Forbes Avenue paid for by Southern California Edison. The total cost to the City to plant all 126 trees was $28,920. The list of trees planted is included as Attachment A.

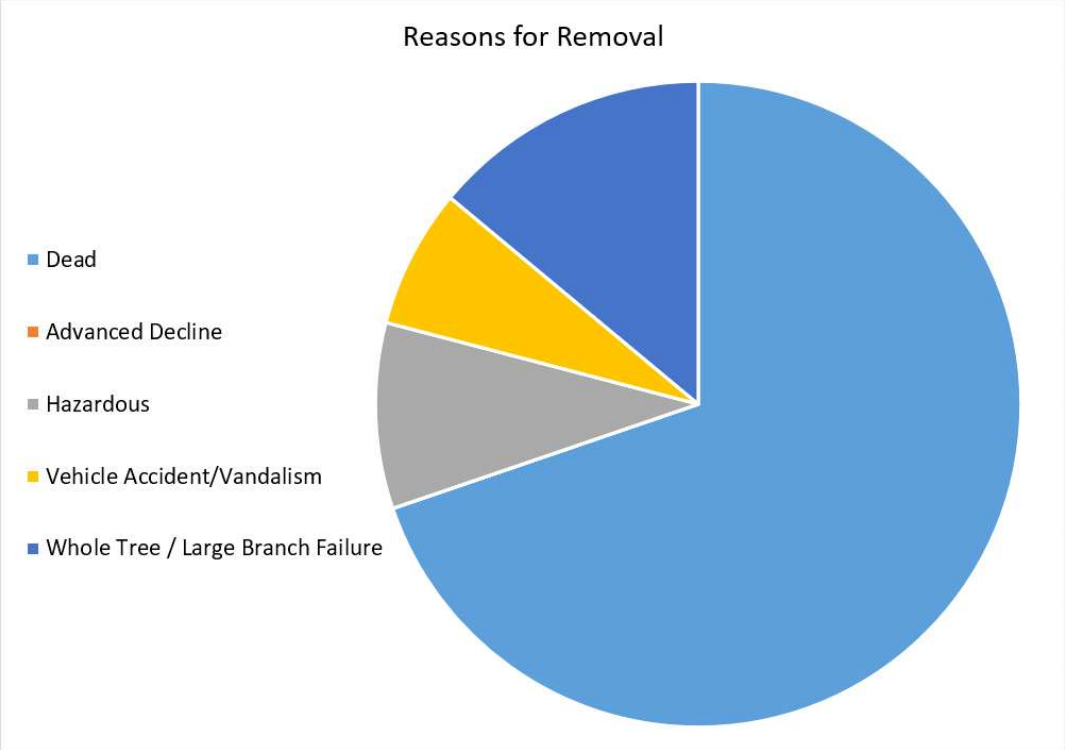

Tree Planting 6-month Comparison

		206
2026	July 1 - Dec 31	68
	Jan - June 30	126
		194

Removals

It is the City's policy to protect and preserve healthy trees whenever possible; however, preservation of City trees is not always possible, and removal is necessary. Staff have the authority to remove trees if they are dead, in a state of advanced decline, or hazardous. Additionally, staff has the authority to remove trees if hardscape/infrastructure repairs cannot be completed without severe root pruning that would jeopardize the health and stability of the tree. The tree may be removed only after all mitigation measures have been considered. During January - June 2026, 43 trees were removed. All 43 trees were removed from the City's parks or public rights-of-way. Of the 43 trees removed, 9 trees were removed by City staff at no cost. The remaining 34 trees were removed by WCA. The list of trees removed is included as Attachment B.

The cost for WCA to remove these 34 trees was $24,803. Generally, the cost for WCA to remove a tree is $49 per inch of diameter at breast height. Six trees were removed through WCA's emergency response program due to the immediate need for removal. WCA charges an emergency response rate ranging from $100-$140 an hour but does not distinguish between tree removals and other maintenance activities.

Below is a chart that shows reasons for removal during this reporting period:

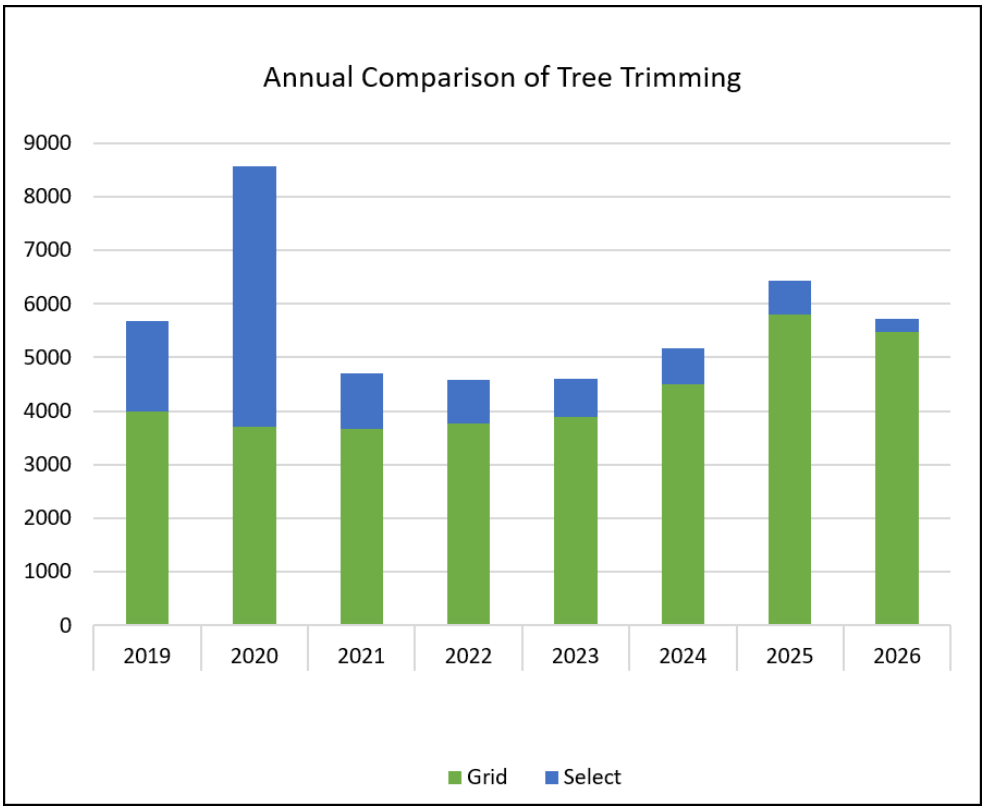

The charts below show tree removals over time:

Tree Removals 6-month Comparison		
Year	Period	Total
019	July 1 - Dec 31	194

		139

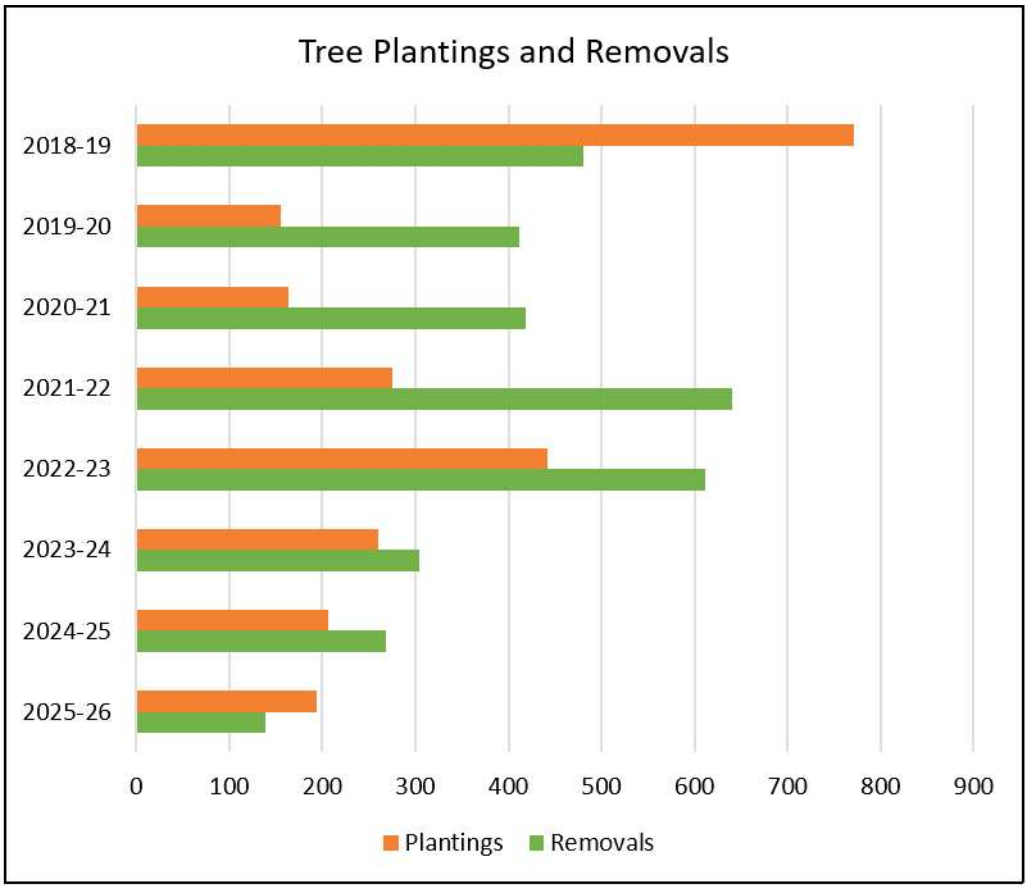

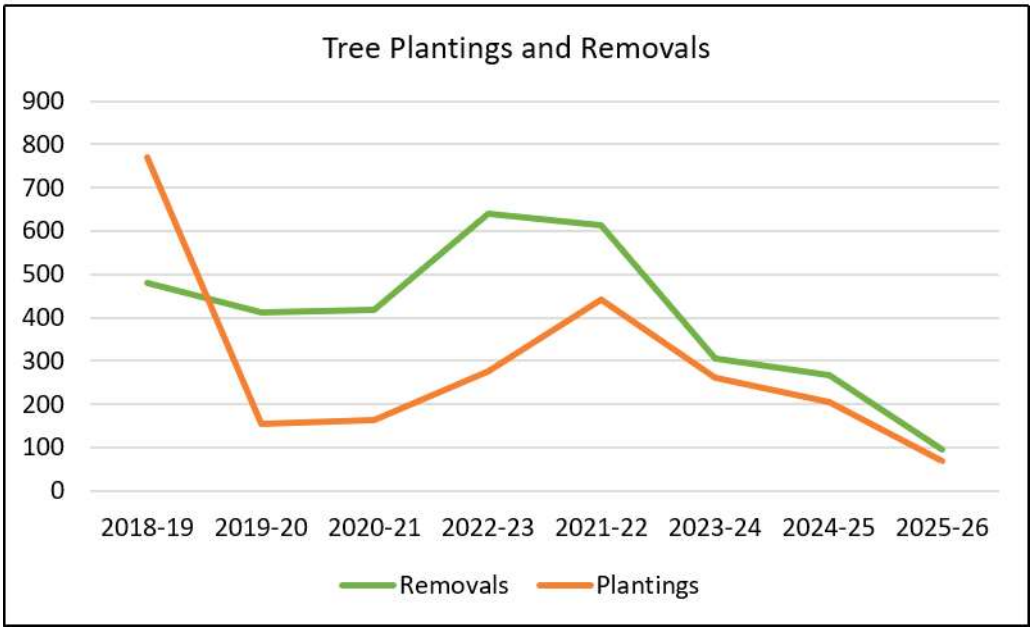

Comparison Charts

Below is a graph that compares annual tree trimming activities by type:

The next two charts compare annual tree plantings and removals. Plantings will show greater numbers in past years due to availability of grant funds for tree planting. Grant funds for planting have now expired, so planting numbers were lower in recent years. Moving forward, the City has included funding for plantings in the Community Services Department budget.
