Dear Neighbor,

Taylor Morrison would like to inform our neighbors that construction activities on the east side of Forbes Avenue will not be completed at this time and will be scheduled for completion in the coming weeks. We apologize for not notifying you prior to this morning paving activities.

To minimize disruption, the remaining street improvements on the east side of the street will be performed at a later date. Prior to resuming work, we will provide a follow-up notification with additional details regarding the schedule and anticipated duration of construction activities.

We appreciate your patience and understanding as we complete these street improvements. Our team is committed to minimizing inconvenience and completing the work as quickly as possible.

If you have any questions or concerns, please contact:
