City of Claremont

ATTENTION UTILITY BILLING CUSTOMERS

We Are Launching A New Online Payment System

Starting this September

All customers will be required to register and create a new account to access online bill payment and account information.

Customers will receive a new customer account number by mail and will be required to update their payment information in the new online system. Customers may pay by phone, online, or by mail. Commercial customers will receive their new sanitation bills in September. Residential customers will receive their new sanitation bills in October.
