### **Missing Person – Request for Public Assistance**

**Claremont, CA** – The Claremont Police Department is seeking the public's assistance in locating a long-term missing person, Ruben Moreno (DOB: 06/06/1976).

Ruben Moreno was 41 years old at the time of his disappearance and had a last known address in Perris, California. He was reported missing by a family member in August 2019.

He was last seen in December 2017 at a residence in the 3900 block of Swarthmore Court in Claremont, where members of *His Way Spirit Led Assemblies*, a religious organization, previously gathered. At the time of his disappearance, Ruben was affiliated with the religious group and was living at the residence with other members of the religious organization. The group no longer occupies or meets at that residence.

Ruben is described as a Hispanic male, approximately 5 feet 6 inches tall, weighing 180 pounds, with black hair and brown eyes.

The circumstances surrounding Ruben's disappearance remain under investigation, and at this time, the Claremont Police Department is not commenting on whether foul play is suspected.

This press release is being issued in response to recent media inquiries following the posting of a missing person bulletin to the Claremont Police Department's social media platforms on Friday, August 1st.

We are aware of public interest in possible connections between this case and a separate missing persons investigation out of Redlands. At this time, the only known similarity between the two cases are the individuals' ties to *His Way Spirit Led Assemblies*.

The cases are being investigated separately by their respective agencies.

Anyone with information regarding Ruben Moreno's whereabouts is urged to contact the Claremont Police Department at (909) 399-5411. Tips may also be submitted anonymously.
